Seargent Mick Hayes attended our meeting, introduced himself to the Parish Council and explained the reasons for the problems, which had been experienced during recent months, for which he also apologised. He has only been at Maidstone for one and a half months, although he has been a Policeman for 10 years. Georgina Messenger had left as minuted in March but had since been replaced by Claire Russell, who had in the meantime contacted PA to introduce herself and had also emailed our crime figures from June 06 until November 06, there were 7 crimes made up as follows: - 2 Criminal Damage, 1 Burglary, 1 attempted Burglary, 1 Common Assault and 1 Possession of Class C Drugs. PC Claire Russell covers Headcorn, Lenham and Harrietsham as well as ourselves and at some time in the very near future we will be getting a Police Community Officer who will be working with Claire. KA hoped that things might settle down in the future and that we might get some consistency. PS Hayes reported that there had only been one reported crime this year, which was Theft of storage tanks in Elmstone Lane during April. PA mentioned to PS Hayes that there had been a crime reported of criminal damage on Liverton Hill and queried why this had not been included in the crime figures, he could only assume that the crime reported came under the jurisdiction of Lenham, and would look into it. PSH advised that it is hoped that in future a Police representative would attend our Meetings, duties allowing. He gave out the following telephone numbers for any crimes that might take place in future: -

Non-urgent crime / or suspicious vehicles etc. (general police number) **01622 690055**.  
Crimestoppers - **0800 555111**.

Kent Police Website - which helps with reporting crime etc. [www.kent.police.uk](http://www.kent.police.uk)

Emergency number **999**.

### **MATTERS ARISING from 27<sup>th</sup> March Meeting**

#### **40-30 Mile Speed Limit Sign Changes**

PA had been in constant touch with Peter Rosevear since the last meeting and the latest update which was given on the day of the meeting was that the signs were on order and the first week in June had been set aside for the 30 mph signs to be installed. It did sound positive, but of course we have been there before – watch this space!

**ACTION PA**

#### **HGV's Weight Restrictions**

As previously stated nothing further would be done about Weight Restrictions until the change of speed limit has been implemented.

**ACTION PA**

#### **No. 59 Bus**

All quiet at the moment, the next meeting is due to take place on 25<sup>th</sup> June.

**ACTION PA**

#### **Potholes Woodcock Lane & Church Road**

PA reported that at long last her Spreadsheet had been looked at and she had been advised by Adrian Holland (Acting Head of Operations) the planned works for this year consist of resurfacing Coldbridge Lane between Coldbridge Farm and Woodcock Lane at a cost of £41k. Other potholes would be done on a more 'ad hoc basis'. This was

## **358**

discussed and all agreed that Coldbridge Lane did not seem as bad as Woodcock Lane and Church Road, PA would query this and find out whether some of the money which was set aside could be divided up and repairs done to the other two roads.

**ACTION PA**

### **Proposed Closure of Platts Heath School**

Discussions were still going on, nothing new to report.

**ACTION KA**

### **Travellers Sites**

No concrete information on this subject yet, as soon as Richard Thick has something official to report, he will let us know.

**ACTION PA/R.THICK**

### **Hedge Cutting**

Andrew Hopkins had carried out the hedge cutting work to everyone's satisfaction.

### **Willow Tree Cottage-Fire Hydrant**

Earl Bourner advised PA that this had been passed to Dennis Gower for the repair to be done as soon as possible.

**ACTION PA**

### **Liverton Hill Farm**

Nothing new to report on this. PA will keep submitting this on the Spreadsheet to Kent Highway and hopefully at some time in the future funds will be available to put double kerbing in, as promised.

**ACTION PA**

### **Dog Fouling**

Notices had now been put up on Notice Boards, telegraph poles and in the Parish Magazine. Hopefully this will encourage dog owners who are ignoring the current Notices, to take their dog waste home with them in future.

### **Public Footpath-Church Road**

This had been reported to Ian Hayes who had unfortunately been off sick for some weeks with a broken collarbone. He had informed PA that once he is driving again, which should be in a couple of weeks time, he would be coming out to investigate the problem.

**ACTION PA**

### **Dormer Windows**

PA had done as requested and asked for a written explanation. A reply had been received but it had not really answered the questions, it was full of rules and regulations but did not answer the question of whether the Dormer was within the Planning Regulations, in fact no one had actually been out to look at the property. PA suggested to the person who had written the letter, that maybe someone should actually come out and have a look in order to get it sorted out once and for all. It was agreed that this would now be passed on to the Enforcement Department who will inspect.

**ACTION PA**

### **Pothole – Ivy Cottage**

Lots of misinformation, the person responsible told me that this had been repaired, but after a conversation with Mike & Joan Davidson, it would appear that it hasn't been done. Dennis Gower promises that this will be done as a priority.

**ACTION PA**

**Mayors' Visit**

The Mayor of Maidstone's visit was a great success. As per the plans he arrived at 11 am with his wife went straight to Grafty Green Garden Centre where they were made very welcome by Pauline the owner and her Manager. After that a very informative tour around Whistable Brewery at Telpits Farm and then onto the Kings Head for Fish & Chips, where Mike Fitzgerald met other members of our small community. An article written about the visit was also reported in the Downs Mail. A big thanks you to everyone who was involved.

**ANY OTHER BUSINESS**

**Parking Church Road**

Because of the parking situation in Church Road, PA had been asked by one of the residents to find out whether a provision had been made for 2 parking spaces at Ledgers Cottage when Planning Permission was granted. She checked with Maidstone Borough Council and no such conditions had been imposed.

**Comments on Planning Applications**

KA said that it is sometimes quite difficult when Planning Applications come in for properties where invariably the applicant is well known to members of the Parish Council. In a lot of cases the PC is unable to make any comment because of interest. Richard Thick explained that things are changing in this respect and in future when such a situation arises KA should contact him and he would in turn 'call it in' (refer it to the Planning Committee).

**Date of Next Meeting**

21<sup>st</sup> August 2007

There being no further business, the meeting closed.
